Letter No. 2417 dated the 15th May 1901, from the First Assistant to the Resident in Mysore, forwarding a copy of letter No. 335 dated the 28th April 1901, from the Collector of South Arcot with its Enclosures re the claims to the Mysore State pension enjoyed by the late Haji Gulam Dastagir of the Mir Gulam Ali Family.

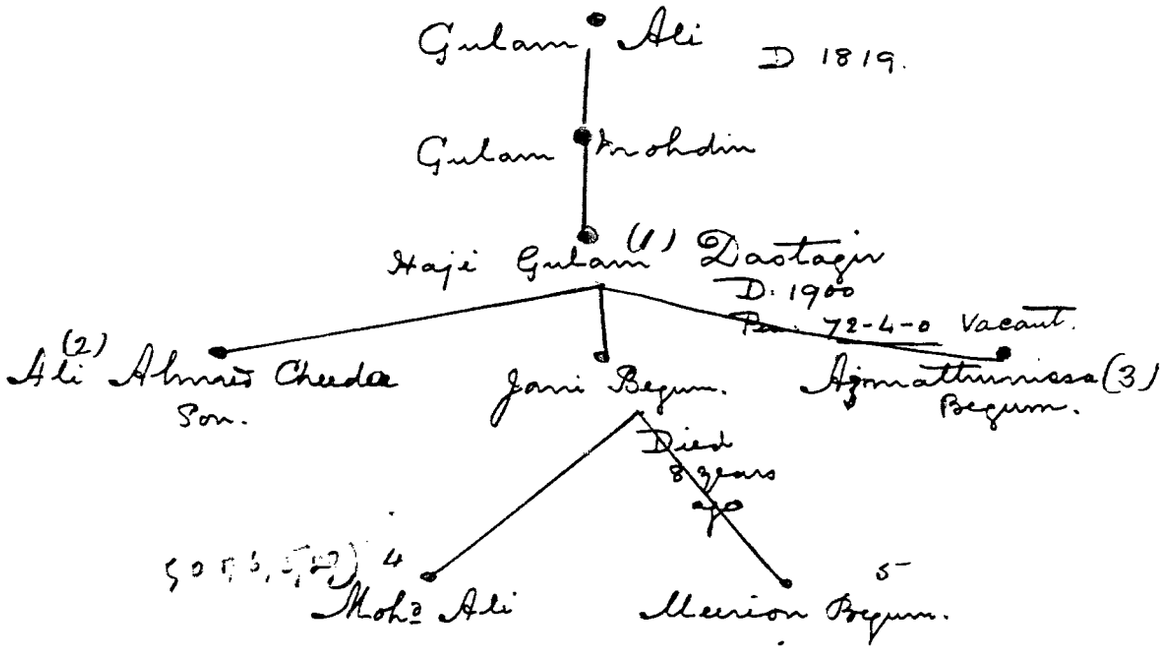
2. Nature of the pension: For the nature of the Mysore State pension, please see Memorandum appended. (X) ordered to be filed for perference when required. 22/5/07

3. The family history:— Mir Gulam Ali was one of the Chief Sardars of Tippu Sultan's Government. On the fall of Seringapatam the Commissioners for the affairs of Mysore granted him a pension of 3000 Star pagodas per annum.

4. Upon the death of Mir Gulam Ali in 1819, a moiety of his pension viz 125 pagodas a month was continued to his heirs, and was subsequently distributed among the different

different claimants. In the distribution Haji Gulam Dastagir, the person that is reported to have died got a share of Rs 72-4-0 a month which he enjoyed till his death.

5- Genealogical Tree -



Haji Gulam Dastagir died on the 2nd of October 1900 and the disposal of his pension is the subject for consideration.

6 The present claimants are :-

(a) Ali Ahmed Cheeda No 2 in the Table. He is the son of the deceased is reported to be in needy circumstances. His age is 50 years and he has 3 sons and 3 daughters.

(b). Azmatunnissa Begum No 3 in the Table She is the daughter of the deceased She is about 60 years of age and has 3 sons and 3 daughters

(c) Mahamed Ali, No 4. He is the grandson by a deceased daughter

(d) Meerun Begum nº 5 in the Table.
she is grand daughter by a
deceased daughter.

7. It will be seen that according to Mahomedan Law the claimants 4 & 5 in the Geological Table have no right to the pension inasmuch as their mother predeceased her father. Moreover they are reported not to be in needy circumstances.

The question therefore is as between nº 2 and nº 3. who are entitled to the pension.

8 On the 10th of Aug: 1900, the deceased presented a petition to this office praying that after his death his pension might be continued to his son, and he was informed by an Endt nº P.P. 5-2 of 19.9.00 (®) that no orders could be passed in his life-time about the continuance of his pension to his son.

® Please see ¶ 3 in the file submitted by The Collector of Arcot

9 The Collector of North Arcot forwards with his report a Mahazar (×) signed by a few Mohammedan gentlemen to the Effect that Ali Ahmed Cheeda nº 2, is poor and was, during the life-time of his father, being maintained by him, that the daughter of the deceased, nº 3, has three sons all in well-to-do circumstances &c &c.

× ¶ nos 5 & 6 — do — do.

10 The daughter nº 3 on the other hand

hand states that her father was giving her about Rs 20 for her maintenance, that her husband who is reported to be of 70 years of age, is too old to earn a living and that her two sons who are petty cloth merchants at Bangalore cannot contribute enough to enable her to live decently and prays that she may be granted her father's pension.

11 The Mysore State pensions of which the deceased was a recipient are strictly speaking life grants and as such the present pension has lapsed to the State after the death of the deceased. What the Govt may be pleased to grant to the survivors is only a concession and cannot be claimed as a right. But the practice from the commencement has been to continue a portion of this lapsed pension (generally one half, sometimes three fourths) to the heirs of the deceased pensioner.

12 So recently as a year ago three fourths of the lapsed pension was continued (+) to the heirs of the deceased and in one (+) case the whole pension was granted 3/4 to the widow and 1/4 as a special case to the son of the deceased.

(+) Slnos 10, 11 & 12 in Reptl file

(+) Slnos 13 & 14 in Reptl file.

13 Under these circumstances it is most respectfully submitted that one half of the pension (*) namely Rs 36-2-0 a month may be continued to the son of the deceased

deceased ~~and~~ one-fourth or Rs 18-1-0 a month ~~to~~ the daughter the remaining ¼ lapsing to the State

13 I think that by allowing a fixed proportion, we give rise to a belief that there is some recognised right to get it by inheritance. I would make the sum 45 Rs and give 30 Rs to the son & 15 Rs to the daughter. The pensions may be made strictly life grants this time.

14 It is inexpedient to effect a large saving - on account of the death of the late holder who has left a son and a daughter both of whom now apply for the renewal of the pension. The son is said to have a large family and three of his sons are attending

a school in Madras - The
Govt issued letter this Morning
granting upon ~~the~~ ~~petition~~
to ahmed Chandia the importance
of his educating his sons

16 Out of the pension of Rs: 72-4-0 per mensem which Hajee Gulam Dastagir was getting, Govt. in their Order No 127 dated the 10th June, 1901, (S. No 13 with flag A), sanctioned a sum of Rs: 50/- per mensem to his son Ali Ahmed Cheeda, and Rs: 20/- per mensem to his daughter Azmathunnissa Begum, as ~~life~~ life grants. ~~and~~ In his petition dated the 11th November, 1902, Ali Ahmed Cheeda reports that his sister Azmathunnissa died at ~~the~~ Arcot on the 8th November, 1902, and prays for the Continuance to him of the pension she was drawing.

17 A pension of Rs 20/- a month was granted to her ~~during life~~ during her life-time, and as such, it has lapsed to the State after her death. It is ~~hardly worth while~~ therefore doubtful how it could be continued to his brother.
